6. **Rezoning:**

I. **#Z-17-07/SUP-17-18:**
   Fieldstone Properties & Development, LLC
   North Gwinnett Street
   7-302-103/105/106
   Acres: 14.9

   **Requesting rezoning from R-100 to RM with a special use permit to allow fee simple townhomes**

   **P&Z Recommendation:**
   #Z-17-07/#SUP-17-18: Fieldstone Properties & Development, LLC requested rezoning for the property located on North Gwinnett Street, being parcels 7-302-103/105/106, containing 14.967 acres from R-100 to RM with a special use permit to allow townhomes. Mitch Peevy spoke on behalf of the applicant and explained the request to the Board. Mr. Peevy stated that the developer had no problem with reducing the number of units to 60 units. One adjoining property owner asked about buffers. John Rishand spoke stating that his son lives in the area and had concerns with the development. He stated that the area needed a nice development if done correctly and with more planning involved. After a brief discussion, motion was made by Wayne Johnson and seconded by Homer Whiting to recommend approval of the rezoning request to RM with a special use permit for townhomes with the following conditions:

   1. The zoning category is approved as RM with a special use permit for single-family attached townhomes and accessory uses and structures. The approval of this application is not approval of any Development Regulations non-conformities shown on the site plan provided with the rezoning case.
2. The final site plan shall be reviewed and approved by the Planning Director prior to
the issuance of any land disturbance permit.
3. The final site plan shall not exceed 4.0 units per acre.
4. All units shall have at least a double-car garage.
5. Architectural treatments of the homes are to be a mixture of brick and stone with
accents of fiber cement siding on the fronts with the rear and sides being of fiber
cement siding. Final architectural elevation designs to be approved by the Planning
Director.
6. The 35’ undisturbed buffer shall be reduced to a 20’ replanted buffer adjacent to the
following parcels: 7-302-232, 7-302-199, 7-302-240, 7-302-242, 7-302-208, 7-302-
216 and 7-302-104A. The buffer shall be replanted with a variety of evergreen trees
and shrubs with a 6’ tall privacy fence at the property line. The final landscape plan
shall be developed with documented input from the adjacent property owners and be
approved by the Planning Director.
7. Shall provide 18’ wide driveways.
8. The homes shall be a minimum two (2) bedroom units.
9. Shall provide HOA that maintains the exterior of homes, grounds and all roads.
10. North Gwinnett Street shall be widened to a 12’ lane on the developer’s side of the
property.
11. Shall be a gated community as optional by the HOA.

I. **#SUP-17-14:**
   Service Shop Pros, LLC
   4378 Sudderth Road
   7-258-224

   Requesting special use permit to allow an auto repair shop

**P&Z Recommendation:**
SUP-17-14: Service Shop Pros, LLC requested a special use permit for the property located at 4378 Sudderth Road. The special use permit requested is to allow an auto repair shop. Alises Hernandez and David Gomez spoke on behalf of the applicant and explained the request to the Board. Mr. Waycaster, adjoining property owner, spoke against the request with concerns of noise and junked vehicles parked outside. The owner stated that all vehicles would be parked inside the building. After a brief discussion, motion was made by Wayne Johnson and seconded by Homer Whiting to recommend approval of the special use permit as requested with the following conditions:

1. Prior to approval of any subsequent permits the owner is to provide documentation from a qualified engineer to determine the presence of state waters on or near the subject property. The construction documents for the development of the subject parcel will be reviewed for compliance by City review staff. The current version of the site plan will need to be adjusted should it be determined that state water buffers apply.

2. Consideration for approval of the special use permit is not approval of any non-conformities shown on the site plan submitted with the application. City of Buford’s Zoning and Development Regulations are applicable during the review of the construction documents.

3. Outdoor storage of automotive parts, junk vehicles or automotive repair related equipment shall be prohibited.

4. All automotive repair shall take place within the building. Outdoor repair operations shall be prohibited.

5. Outside display of tires is prohibited.

6. Outdoor storage of vehicles waiting to be repaired needs to be identified on the site plan.

7. All vehicles shall be parked inside the building that are being repaired and waiting for repair.

8. Business hours shall be 8:00 a.m. – 6:00 p.m.

9. To allow two (2) parking spaces at the southwest corner for storage of vehicles.

10. Building elevations subject to approval of the Planning Director.
