I. **#Z-18-10/#SUP18-17:**
   Waters-Edge Group, Inc.
   90 North Harris Street
   Parcel: 7-294C-064/077
   Zoning from RA-200 to C-2
   Acres: 2.32

   Request to allow rezoning from R-100/C-2 to R-100 with a special use permit to allow a CSO subdivision

**P & Z Recommendation:**

#Z-18-10/#SUP-18-17: Waters-Edge Group, Inc. requested rezoning for the property located at 90 North Harris Street, being parcels 7-294C-064/077, from R-100/C-2 to R-100 with a special use permit to allow a CSO Subdivision. Trevor Khonkwiler spoke on behalf of the applicant and explained the request to the Board. He presented the concept site plan and stated that some of the units would be front entry plans and some the units would be rear entry plans with a courtyard area. He stated that he and staff had discussed the five (5) houses facing North Harris Street. The houses would have a 10-foot front setback and the width of the driveways would be 18 feet instead of 15 feet in the MDA report. A citizen that lives on North Harris Street stated that the road was narrow and wanted to know if there were any improvements being proposed. Mr. Khonkwiler stated that North Harris Street would be widened to Buford standard code with curb and gutter and sidewalks. Art Copeland spoke in opposition of the development with concerns about topography, density and small alleyways. He stated that this was not a good zoning for Buford. Jeff Smith, Developer’s engineer, addressed the concern and said they have engineered the site and can make the project work as proposed and that the project will have to comply with all codes and regulations for the City to approve. Two (2) other adjoining property owners spoke with the same concerns. Mr. Perkins stated he would like to see the minimum square footage be 2000 square feet. Mr. Kerlin stated that the City concurred with recommendation of approval with those two (2) changes in the conditions, minimum 2000 square foot houses and 18 foot wide driveways, and to add
that the HOA to maintain all the homeowner’s private yards. After a brief discussion, motion was made by Wayne Johnson and seconded by Bobby Davis to recommend approval of the rezoning to R-100 with a special use permit as requested with the following conditions:

1. Minimum square footage of all homes shall be 2000 square feet.

2. Roadway improvements shall conform to Buford City Code, except that the public street shall be 26 feet back of vertical curb to back of vertical curb and 13 feet from centerline to back of curb for improvements when developing on one side. All proposed private streets shall be constructed to Buford City Code including, but not limited to, cul-de-sacs, curb and gutter, sidewalks, etc.

3. Sidewalks shall be installed on both sides of North Harris Street as approved by the Planning Director. No sidewalks on Garner Street.

4. The construction documents shall be substantially similar to the site plan provided with the rezoning application.

5. Building setbacks shall be 25 feet on the front and 15 feet on the rear and 5-foot side setbacks with 15 feet of building separation with 10-foot front setbacks facing the courtyard. The five (5) houses facing North Harris Street shall have a 10-foot front setback.

6. Private alleys shall be designed and constructed to Buford City standards for private streets with width pursuant to the site plan submitted with this application, 20 feet back of roll back curb to back of roll back curb.

7. Yards shall be sodded. At least one (1) ornamental tree shall be planted in the front yard minimal 2" caliper.

8. Driveways shall be a minimum of 20 feet in depth and 18 feet in width from access easement or right-of-way (20 feet back of curb).

9. There shall be a maximum of 14 lots.

10. The front elevation shall be 40% brick or stone with accents not to exceed 60%. The side and rear elevations shall have a 2-foot water table. Accents shall include brick, stone, rock, stucco, shakes, hardiplank and concrete siding as approved by the Planning Director.

11. A mandatory homeowners’ association (HOA) shall be provided and be responsible for maintenance of all grounds, homeowner’s private yards, water quality/detention facilities and open space.
